

72 KW Electric Steam Boiler

TECHNICAL INFORMATION

Model	SB-BT-72KW
Power	72Kw
Rating steam output	100kg/hr
Rating current	113A
Working voltage	400V / 50Hz
Operation steam pressure	0.7Mpa
Saturation steam temperature	170°C
Sectional area of power wire	50mm ²
Pump Power	0.75Kw
Thermal efficiency	98%
Control method	Microcomputer control (on-off)
Dimension	770*600*1570mm
Package Size	1050*770*1630mm
Steam pipeline	DN25mm
Blowout pipeline	DN25mm
Infall pipeline	DN15mm

The scope of supply

- Boiler
 - Boiler electric control box
 - Steam outlet valves, Inlet feed check valves, safety valves
 - Documents
 - Electric heating line
 - Water pump
 - Country of Origin: China
 - Guarantee: One year by manufacturer
 - Inspection: China
 - Payment: By T/T in advanced
 - Delivery time: within 20 days after receipt of payment
 - Packing: in seaworthy wooden case
-
